I am currently in need of teachers for this year.

This is a wonderful way to set an example for your children. It truly expresses to them the importance you place on their religious formation. If you feel you have a gift in the area of teaching, please call me and let me explain how easy it is use the program materials we provide for you. Please indicate below if you would be willing to help in this capacity or call me at 971-8083. May God bless you and your family.
