**SUBJECT: Opportunity to present to your child the *Teaching Touching Safety* program**  
**DATE: August 1, 2010**

Christ Our King Parish will present a sexual abuse prevention program, the *Teaching Touching Safety* program, to our students on October 10 – October 31, 2010 during our regular Christian Formation class time on Sunday. This program is provided to us by the Diocese of Charleston, and is a part of our ongoing effort to help create and maintain a safe environment for children and to protect all children from sexual abuse.

The content of material being offered has been designed specifically for the Diocese of Charleston. For more information on the overview of the program or a copy of the lesson plans used in presenting this information, you can check out the website at:

<http://www.nationalcatholic.org/touchingsafety/charleston.htm>

If you do not have access to a computer and would like to see copies of the overview or lesson plans for this program contact Sharon Willi at 971-8083 for a copy of the materials.

The scheduled lesson is being offered to all the students at Christ Our King parish religious education program. As a parent/guardian, you have the right to choose whether your child participates. We encourage you to view the video if you have any concerns.

If you determine that you DO NOT want your child to participate, please complete the “opt-out” form at the bottom of this page, and return it to Sharon Willi no later than September 19, 2010. **If we do not hear from you, and a form is not returned, your child will participate in the program.**
