Fellow Parishioners at Christ Our King:

Greetings and prayers from the members of St. Vincent de Paul Society. The purpose of this communication is three-fold.

First, we hope that you and all in your family are doing well and making the best of a very unusual situation. We in the Christ Our King Conference and the area Council have continued to serve the needs of anyone who reaches out to us, always maintaining social distance. Currently these contacts are made by phone only. There is a very real possibility that many who have never before had to ask for temporary assistance may need it now, and we encourage them to contact us now. Every communication is kept strictly confidential. They merely need to call the helpline number **(843) 727-1579** and leave a phone number and name where we can call back. It is not necessary to be a member of the parish to do this.

Additionally, we have prepared a list of resources available in the greater community so that you can reach out to others if needed. The list is posted at [www.christourking.org](http://www.christourking.org). We hope that you find the list helpful.

Thirdly, we are asking that if you have not been impacted by this situation, you consider helping others by making a donation yourself. You can do this by simply mailing a check to the COK office, and trust me, we will see that your help for others will be put to good use.

Thank you for your time, and God bless!

Dorothy Clinton, President

St. Vincent de Paul Society, Christ Our King Conference
