Christ Our Kings Men's Hike

Pisgah National Forest, Pisgah, NC

June 8 - 11, 2023

Come join the men of Christ Our King as we set out for the mountains of North Carolina to rediscover our hearts. The Trail Hike Ministry is an incredible journey of fellowship, worship and freedom that connects hike brothers to the power and presence of Jesus Christ in our lives. During your weekend on the trail you will experience intimate worship with the Lord through spiritual teachings on the trail, praise and worship around the camp fire and awesome fellowship with your Hike brothers. Through the solid leadership and strong organization of the Christ Our King Hike Ministry, for four days you can let go of control and let the Lord take control as He lies you down in green pastures and leads you by still waters as He restores your soul.
